DIOCESAN AND LOCAL  
INFORMATION & EVENTS

Rt Rev Richard Moth, Bishop of  
Arundel & Brighton

Welcome to this A&B eNewsletter on Diocesan and local events for the months ahead.

Bishop Richard launched the Diocesan Pastoral Plan in September to Clergy, and Diocesan Staff and Volunteers. The Pastoral Plan is now available [here](#), with the Appendix showing likely dispositions of Deaneries and Parishes being added when the meetings in Deaneries have been completed in mid-December. There is also additional

information about the plan including a video from Bishop Richard on the [Diocesan Website](#) as well as details below of upcoming Deanery Meetings where Bishop Richard will introduce it to each deanery.

You can find below information about Advent Reflection Materials, as the Diocese is not publishing its own reflections this Advent.

Can I also direct your attention to information below about the latest online scam that I know several people have received.

Finally, please pray for the repose of the soul of Fr Peter ap Morris who died on Friday 26th October and whose funeral will be on Friday 23rd November at St John the Evangelist, Herons Ghyll, Uckfield TN22 4BY. May he rest in peace.

With every prayer and blessing,

## **Latest Extortion Scam**

### **Cyber criminals send victims their own passwords in extortion scam**

Cyber criminals are attempting to blackmail unsuspecting victims by claiming to have used the victims' password to install spying malware on the victims'

computer. The criminals claim they've recorded videos of the victim watching adult material by activating their webcam when they visit these websites.

What makes this scam so convincing is that the email usually includes a genuine password the victim has used for one of their online accounts. We believe criminals obtain the passwords from data breaches.

### **What to do if you get one of these emails?**

Don't reply to the email, or be pressured into paying. The police advise that you do not pay criminals. Try flagging the email as spam/junk if you receive it multiple times. Perform a password reset as soon as possible on any accounts where you've used the password mentioned in the email. Always use a strong, separate password for important accounts, such as your email. Where available, enable two-factor authentication (2FA). Always install the latest software and app updates. Install, or enable, anti-virus software on your laptops and computers and keep it updated.

If you receive one of these emails, report it to [Action Fraud's phishing reporting tool](#). If you have received one of these emails and paid the ransom, report it to your local police force.
