

Welcome to A&B eNews with National and International News

Firstly, the deanery meetings with Bishop Richard on the Pastoral Plan all took place before Christmas and the Diocese is now working on its implementation. The full Pastoral Plan can be read on the [Diocesan website](#). A new easier to read version has been added though without the Appendix showing likely dispositions of Deaneries and Parishes.

Parishes and individuals should think of informing parishioners that are EU Citizens that many of them can now apply for settled status, post-Brexit at no cost. See the news below.

Safe Car Wash App: The campaign 'Safe Car Wash App' was launched by the Church of England and the Catholic Church in England and Wales amid growing concerns that some of the estimated 18,000 hand car washes operating around the country are exploiting workers. The app lets drivers punch in their location when arriving at a car wash then flick through a series of slavery indicators such as whether the car wash only accepts cash, evidence of workers living on site or whether the workers seem fearful. If the answers indicate a high likelihood of slavery, users will be directed to a modern slavery helpline. You can download the app for Android and Apple phones. Clergy in particular are asked to raise awareness of the app and the campaign against slavery.

Parish Rosary Programme: The Parish Rosary Programme is so simple it only takes one dedicated person to Our Lady per parish to run it. It is just a matter of downloading, photocopying, and distributing small tear-away calendars to parishioners for them to tally the number of rosaries prayed each two weeks and drop the results in the collection basket. Weekly, year-to-date, and grand totals are published each week in the parish bulletin to remind and encourage everyone to pray the rosary.
