CAFOD Lent Family Fast Day: On Friday 15 March, CAFOD supporters will hold 'Family Fast Days' in Arundel & Brighton in support of the charity's annual Lent campaign. The money they raise will go to helping people whose lives are being devastated by changing weather, including Mahinur in Bangladesh. Drought, floods and storms are having a devastating impact on our global family. Mahinur makes a living from fishing but a drought last year killed all the fish, leaving her struggling to support her disabled husband and son. Mahinur cooks and cleans in neighbours' homes for a bit of cash but it's never enough. There are days the family have nothing to eat. But Mahinur's experience is just one of many. The changing climate is wreaking havoc on hundreds of thousands of lives around the world.

CAFOD's Head of Volunteering, Jo Kitterick, said: "This Lent, it is your generosity which will help ensure no one is beyond reach of the love and care they need. Thank you."

Visit of Our Lady of Walsingham statue: Next year, on 25th March 2020, the Feast of the Annunciation, England is going to be rededicated as the 'Dowry of Mary' and in preparation for this the statue of Our Lady of Walsingham will be visiting Arundel Cathedral in the autumn, from 28th to 30th November. The title "Dowry of Mary" goes back to St. Edward the Confessor (d. 1066). It was in 1381 that our country was 'officially' dedicated to Her by King Richard II. During the course of 2018 to 2020 as part of the preparation for the re-dedication, the statue of Our Lady from the Slipper Chapel at the Catholic National Shrine in Walsingham is being taken to every Cathedral in England for a three-day triduum of prayer. Safe Car Wash App: The campaign 'Safe Car Wash App' was launched by the Church of England and the Catholic Church in England and Wales amid growing concerns that some of the estimated 18,000 hand car washes operating around the country are exploiting workers. The app lets drivers punch in their location when arriving at a car wash then flick through a series of slavery indicators such as whether the car wash only accepts cash, evidence of workers living on site or whether the workers seem fearful. If the answers indicate a high likelihood of slavery, users will be directed to a modern slavery helpline. You can download the app for Android and Apple phones.

Clergy in particular are asked to raise awareness of the app and the campaign against slavery.

Parish Rosary Programme: The Parish Rosary Programme is so simple it only takes one dedicated person to Our Lady per parish to run it. It is just a matter of downloading, photocopying, and distributing small tear-away calendars to parishioners for them to tally the number of rosaries prayed each two weeks and drop the results in the collection basket. Weekly, year-to-date, and grand totals are published each week in the parish bulletin to remind and encourage everyone to pray the rosary.
