know that all diocesan staff and
office emails have moved to

not different email addresses for

e.g. finance, communications, etc

then it is the same prefix as before followed by @abdiocese.org.uk e.g. webmaster@abdiocese.org.uk. The old email addresses will continue to work for a period of time but it would be best to change your address book now.

Items Offered or Wanted

Organ, Pews, Lectern: As a planning condition on a chapel the organ, an 1880's Holdich, pews, lectern and some other items of ecclesiastical furniture are available an active and architecturally significant church. They will fully restore the organ at our expense by a professional organ builder, and clean and refurbish the pews and furniture, and all items would be transported to the church at our expense. It may also be possible to make a contribution towards the fabric of the church given the right circumstances.

For the church to qualify for this 'gift' it **must** be a Listed building of note, ideally gothic architecture and in need of what in effect would be a new organ, pews and a lectern. I would stress that this would be a gift to the church, with no strings attached.

If you interested please contact the email below or contact Ranjit Verghese by telephone.

The House of Prayer: In East Molesey, Surrey, it is a retreat house run by the Sisters of the Christian Retreat, an order set up by the Venerable Fr. Anthony Receveur in revolutionary France. The ecumenical retreat house, established by the Sisters in 1993, is a living manifestation of their central original charism: to provide quiet space and opportunity for anybody who desires to draw closer to God through prayer and meditation.

The House of Prayer runs a schedule of programmed residential and one-day retreats, as well as offering individuals the opportunity to visit on their own schedule for private, individually-led retreat, either for day or on a residential basis.

In addition, groups are welcome to approach the House of Prayer as a venue for prayerful retreats or meetings, again, for day or on a residential basis, though conferences and meetings of a business-like nature are not typically encouraged. Our delightful red-brick Victorian house inside its own beautiful gardens is a much-treasured resource which we hope will continue to be used yet more widely. Everybody can expect a very warm welcome. For more information and programme of events go to their [website](#) or email admin@christian-retreat.org or Tel. 02089 412313.

Welcoming the Stranger - let a home to a Refugee Family: Millions of refugees are Syrian families forced to flee during eight years of war. The Vulnerable Persons Resettlement Scheme (VPRS) enables the most

vulnerable families to be relocated from refugee camps in the Middle East to a safe country where they rebuild their lives. West Sussex CC are part of the UK Government's commitment to the UNHCR scheme with ring fenced financial help. Are you someone who could offer a two or three bedroom house, or flat, in Crawley, or East Grinstead (preferably with a garden), available for 12 months minimum, near good public service and transport links, and available now or in the near future? The rent for the house/ flat offered would be to rent at local housing benefit rates.

Please contact Cathy Merry, Refugees Welcome - Crawley Group. Tel: 07968 688380 or email: merrycat1@gmail.com

Worthing 4 Refugees - Accommodation Needed: Their first family were provided with accommodation for two years which ends in May 2019. This means they have to move next year, but they have not yet secured a suitable place for them to move onto. A long let is therefore essential given their journey from Syria to the UK. As a three-generational family of six people they have the following needs:

- long let
- a three or four bedroomed house
- ideally a downstairs bedroom or room that can be used as a bedroom
- a downstairs WC or bathroom
- easy transport links (they do not have a car)
- close to shops and schools
- plenty of light
- ideally a garden
- sustainable rent (currently on benefits, but planned employment early next year)

If you are a landlord, you would have the opportunity to meet the family before offering a let to them, and Worthing 4 Refugees would obviously be happy to provide references.

They would be very happy to have conversations with any interested

landlords/property investor. Just get in touch with GayJacklin on gay.jacklin@maybridge.org.uk
